Ok who gives a damn who went in there . If it's Obama himself It doesn't matter

What matters is where we are now and decisions that have to be mad . We are now the enemy of the State

He had the option and didn't use it !

He played us all and screwed our country.

He didn't have the balls to do it !

Be very careful and mindful that anything you say can and will be used against you.

Expect it
